

Music for Little Mozarts

NEW FALL 2008 CLASSES

Music for Little Mozarts was written by my music friends

Christine H. Barden, Gayle Kowalchuk, and E. L. Lancaster to encourage a love for music in young children, ages 4-6, and to help them begin learning to play piano. My books help develop singing and listening skills while imparting an appreciation for many musical styles! My adventures and lessons are exciting and imaginative, both at school and at home. Eager, inquisitive children will discover music and find out how much fun it is to play!

Best Wishes,

Mozart Mouse
